SATURDAY MORNING

My name's Nick McClary. I'm 9 years old. I have a Pretty cool family.

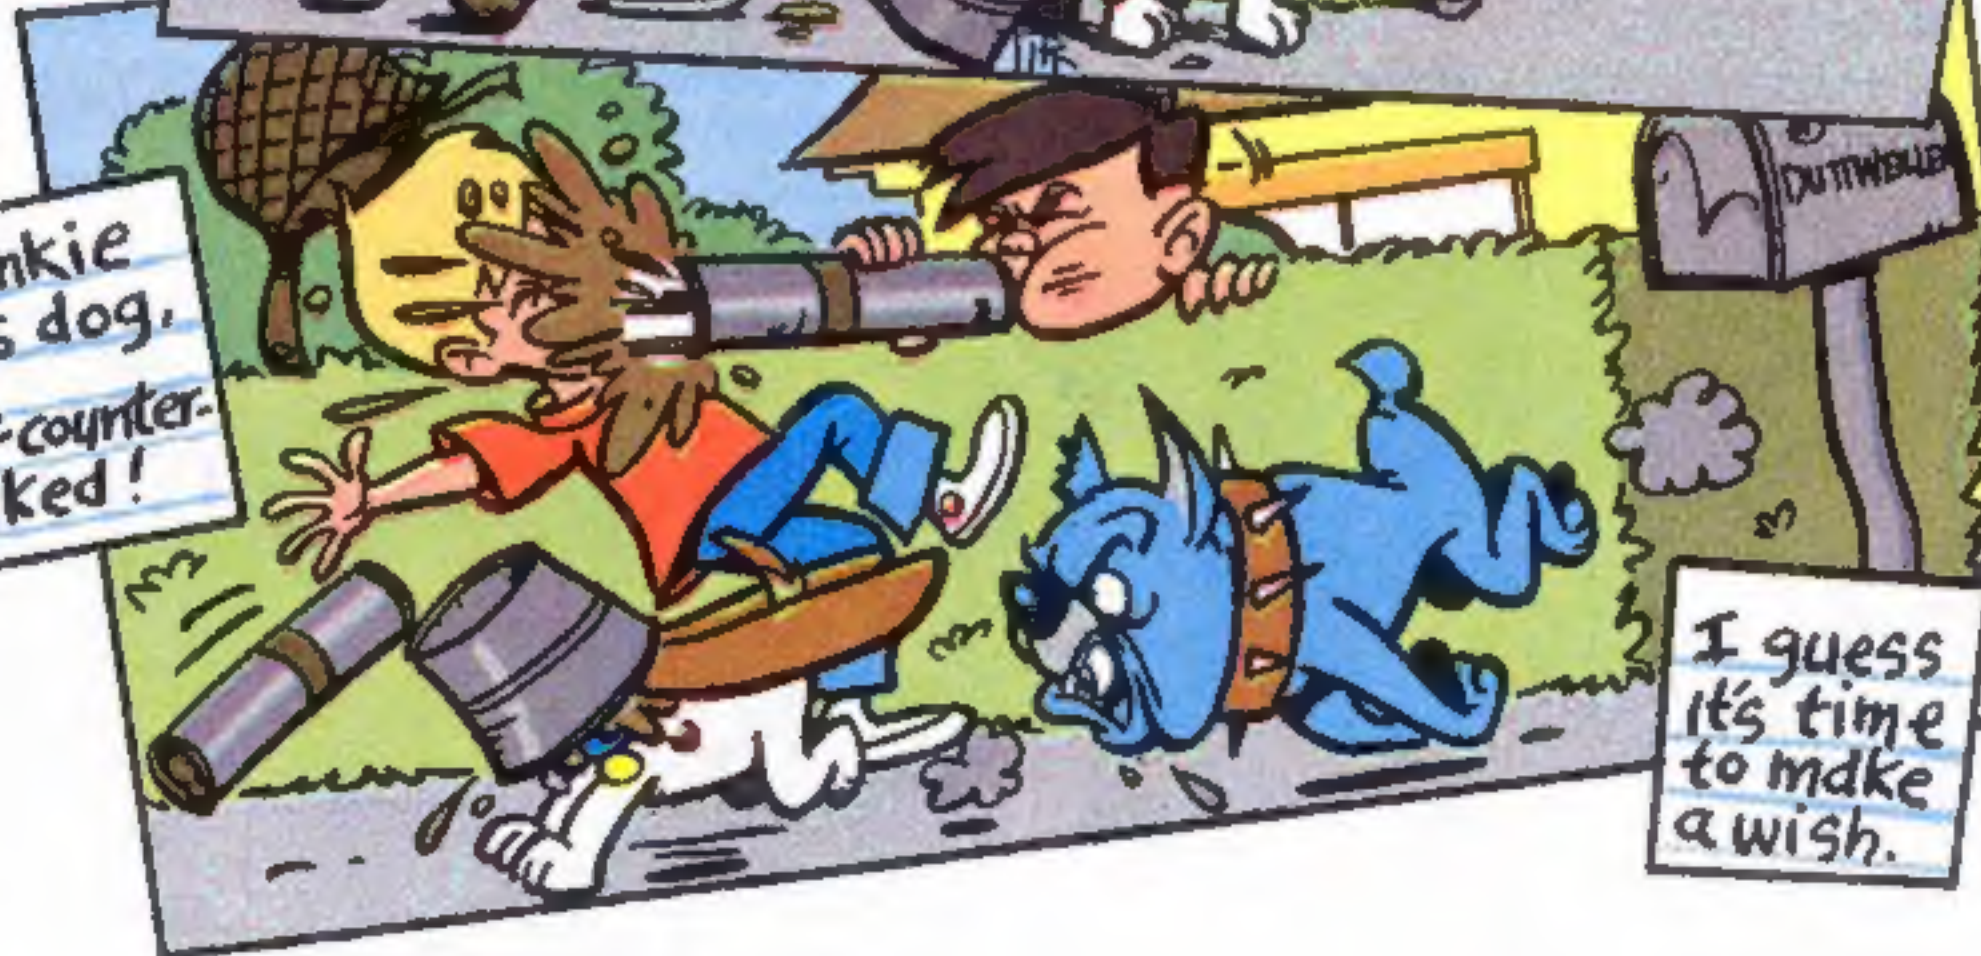

A big stupid bully, Frankie Duttweiler, told everyone in school that my dad's a wimpy newspaper reporter.

Me and my dog Slobber tried to counter attack with a 80mm. mud missile...

But Frankie and his dog, Nuke, counter-counter-attacked!

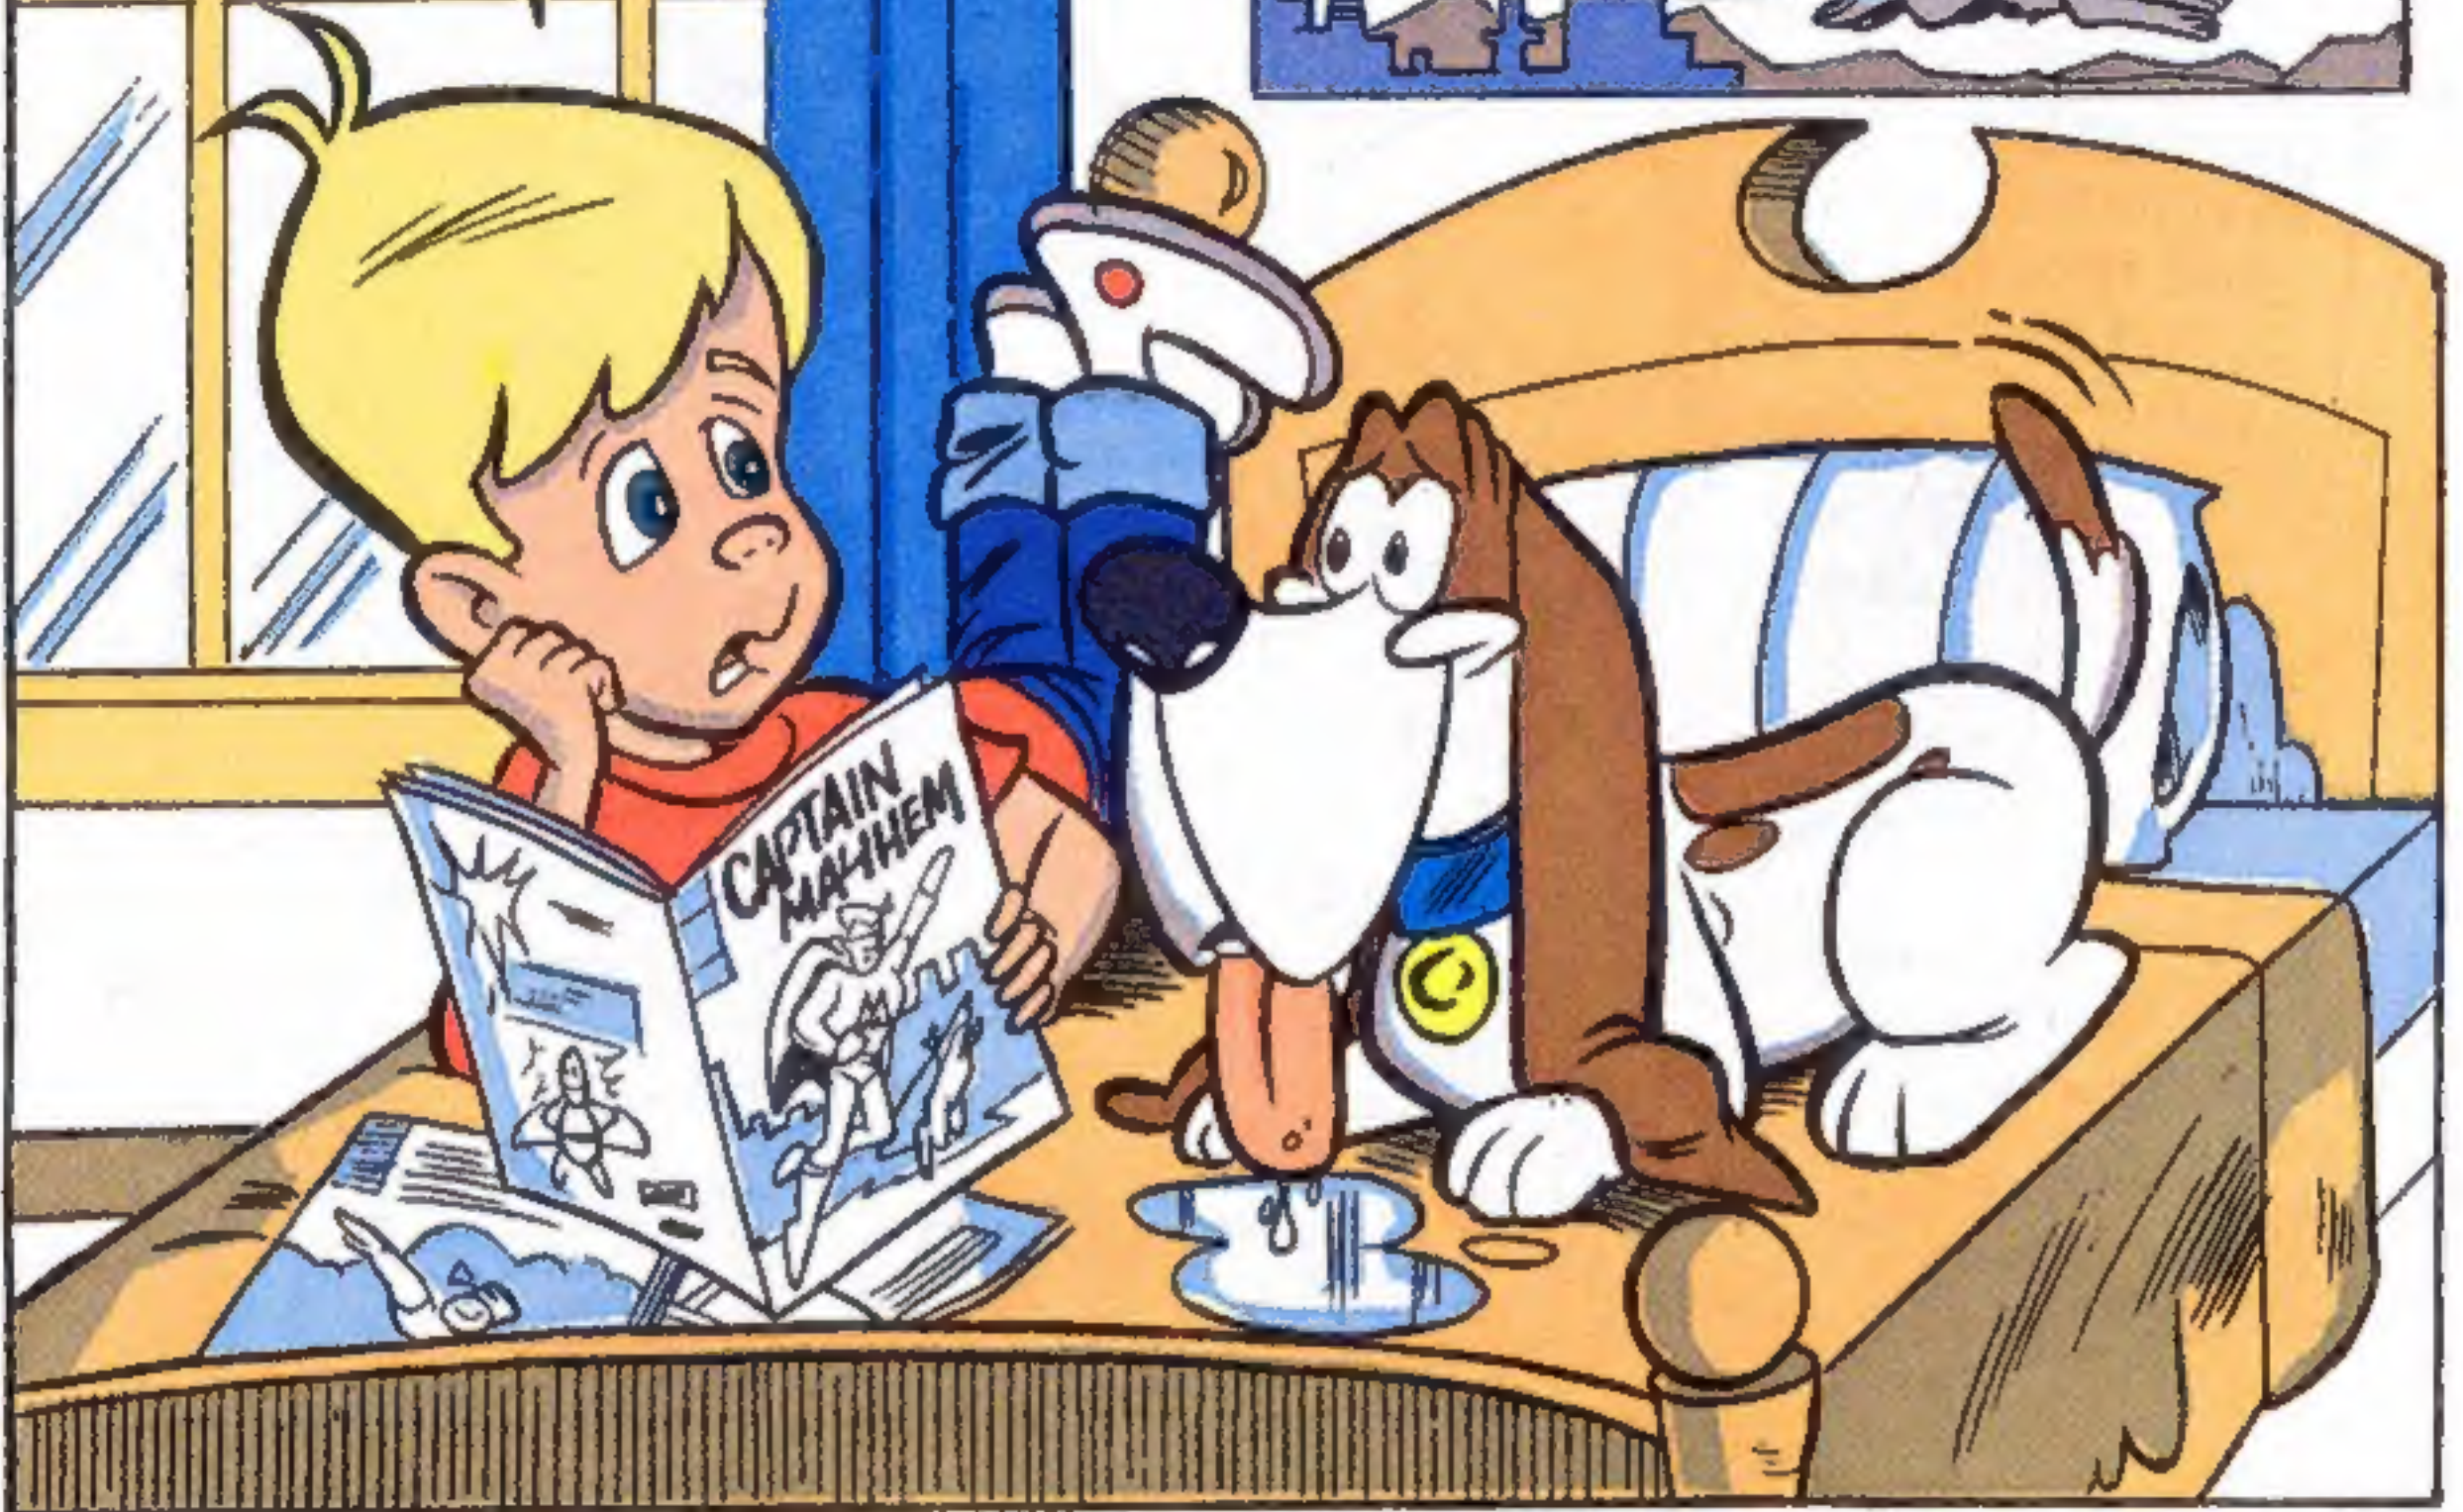

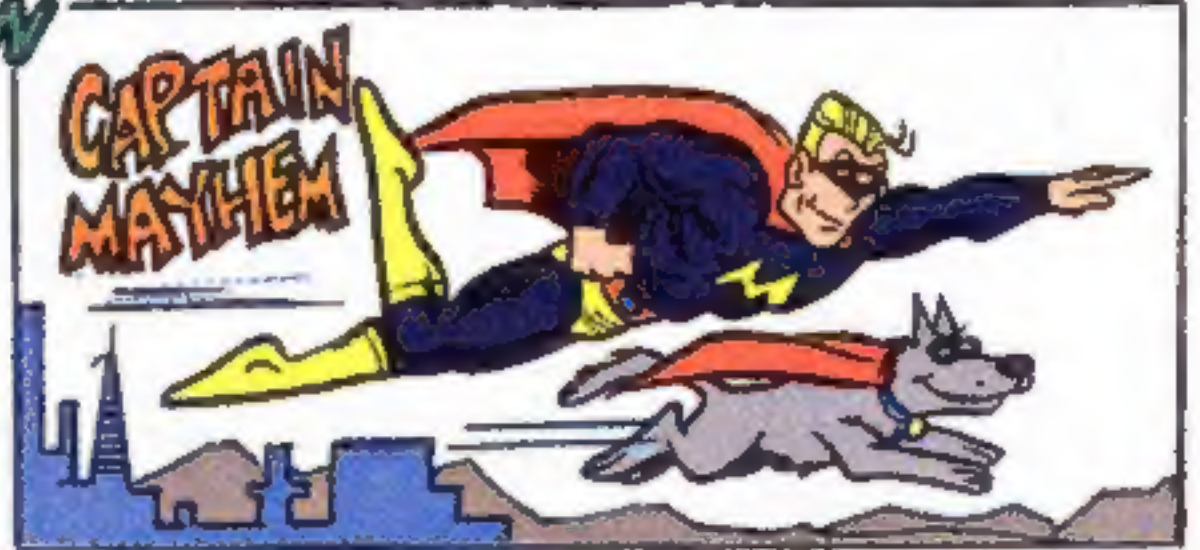

I guess it's time to make a wish.
